Mohamed Mohamed Mohamed
Cross-Platform Software Developer

✉ mohamed.m.abdalfattah@gmail.com   in in/mohamed   ○ gt/mohamed   📞 +201101201745

Profile

Specializing in cross-platform software development, skilled in leveraging technology to create innovative solutions and unique user interfaces. Experienced in developing projects across multiple platforms and proficient in the latest software tools. Committed to continuous growth and eager to contribute to groundbreaking technological achievements.

EDUCATION

BENI-SUEF UNIVERSITY

Bachelor of SCIENCE   2021 - 2024

Major in Computer Science; Minors in Mathematics

Relevant Coursework Software Development, Software Engineering, Operating Systems, Algorithms, Artificial Intelligence

EXPERIENCE

Summer Intern – Web Designer at National Telecommunication Institute - المعهد القومي للاتصالات

As a Web Designer, I specialize in creating visually appealing and user-friendly websites. My expertise lies in translating client requirements into stunning digital experiences that engage and captivate users. I focus on responsive design, ensuring that websites look great on all devices, from desktops to smartphones.

Summer Intern – React Developer at Information Technology Institute (ITI)

Developed dynamic, user-friendly applications using React, focusing on reusable components and effective state management. Gained hands-on experience with advanced concepts like custom hooks, Redux Thunk, and more...

Summer Intern - ReactJS at Mindset Training

I learned how to efficiently structure my projects and organize files, which strengthened my skills in creating responsive designs and writing clean code. I also gained valuable professional tricks, including handling Vite in a professional manner, which significantly added to my work.

Summer Intern - MERN Stack at Information Technology Institute (ITI)

Opportunity to dive deep into the MERN stack (MongoDB, Express.js, React, Node.js). Throughout this intensive program, worked on various independent projects and gained hands-on experience.

Team Leadership in Various Projects

- Led teams in multiple major projects, overseeing team organization, task delegation, and communication management.
- Motivated team members to achieve set goals and adhere to project timelines.
- Addressed challenges effectively and devised strategies to overcome them.
- Contributed to the success and achievements of various projects, resulting in overall project success.

Volunteering as a Video Editor at Life Makers Foundation.

Projects

ADDITIONAL

Technical Skills:
Advanced in JavaScript, Kotlin, React.js, Android Kotlin Development, HTML/CSS, Tailwind CSS, Object-Oriented Programming (OOP), SQLite, Figma

Soft Skills: Communication, Teamwork, Creativity, Adaptability, Leadership, Time Management, Attention to Detail, Continuous Learning, Problem-Solving

Personal Skills: Adobe Premiere Pro (Video Editing), Adobe Illustrator (Graphic Design), Professional Athlete, Microsoft PowerPoint (Presentation Design)

Languages:
Arabic (Native)
English (Intermediate)
German (Elementary)

Certifications & Training:

Meta Android Developer Professional Certificate | Scholarship from MBRF, UNDP   Aug 23 - Aug 24
- Delivering Quality Work with Agility
- Introduction to Android Mobile Application Development
- Version Control
- Programming Fundamentals in Kotlin
- Principles of UX/UI Design
- Create the User Interface in Android Studio
- Advanced Programming in Kotlin
- Working with Data in Android
- Mobile Development and JavaScript
- React Basics
- React Native
- Android App Capstone
- Coding Interview Preparation

MERN Stack Developer | Information Technology Institute (ITI)   Jul 2024
- HTML & CSS
- JavaScript & ES6
- MongoDB
- React.js

Android Kotlin Development| UDEMY   July 2024

Kotlin Zero to Hero | UDEMY   May 2024

Web Development | Ministry of Communications and Information Technology (MCIT)   Sep 2021

Basic Principles of Design | IBM

CAREER READINESS PROGRAMME | UNDP

JavaScript | SAFCSP
